BOOK STORES.

A STANDARD HISTORY BY

GEN. LEE.

A Work of National and Permanent Value.

MEMOIRS OF THE WAR,

By Gen. Henry Lee.

("LIGHT HORSE HARRY")

Thoroughly Revised and Annotated, BY GEN. ROBERT E. LEE.

WHO HAS ADDED A FULL BIOGRAPHY OF HIS FATHER.

1 vol. octavo, 640 pages, with new Steel Portraits of Gen Henry Lee, Gen. Robert E Lee, and Gen Nathaniel Greene; beautiful Steel Engravings of "Marion crossing the Pedee," and the "Surrender of Cornwallis;" Maps of the Seige of Charleston, S. C.; the seige of Yorktown, Va.; the Battle fought near Camden; the Battle of Guilford; the Battle of Hobkirk's Hill; and a sketch of Gen. Henry Lee's residence.

This admirable history of the operations of the American Armies during the Revolutionary War in the Southern Department of the United States, is the standard work on the subject of which it treats; and this new edition, revised, corrected, and enlarged by Gen. Robert E. Lee, the distinguished son of the author, and embellished by elegant Engravings, and original Maps never before published, is a volume of the highest value to every Intelligent person.

This history has been for a long time out of print, and because of its accuracy as a history of that interesting period and that there was no work to supply its place, it was much sought for and a new edition demanded.

It is seldom that a historical work by a distinguished author has the advantage of a revision by so distinguished a son, and both of them great military leaders in the same section of the country.

Gen. Lee receives A LARGE COPYRIGHT UPON EVERY COPY OF THE BOOK SOLD. Sold only by subscription.

PRICE:—Handsomely bound in Cloth, $4 00.

THE SENTINEL.

JOSIAH TURNER, Jr., EDITOR.

MONDAY, NOVEMBER 29, 1869.

THE STANDARD AND THE HANDS.

The *Standard* is evidently experiencing some trouble in the management of the "hands." They are becoming restive and intractable; consequently, the reins are tightened and the whip cracks furiously and threateningly. They are told that they are to be "watched;" that that are "siding the Democrats;" they are called "timid sheep, following wherever the Democrat runs may lead," and the *Standard* threatens to tell on them, if they don't abandon their naughty tricks, and come back into the fold, and do "jes' as they're bid," by those who, by divine or league or caucus grace, have the right to shape their course in all things.

Now, it occurs to us as barely possible, to say the east of it, that the Representatives in the Legislature, having just returned from a six months association and mingling with their constituents, are about as likely to know what the people desire and demand of them, as the *Standard* does. It is reasonable to suppose this, and, therefore, the *Standard's* cavorting, threatening, bullying and wheedling, may not be so terrible in the eyes of those members who desire to do the will of their constituents, as the editor of that paper seems to imagine.

The *Standard*, as is usual with it, recently, on important and emergent occasions, has a brace of editorials in its Saturday's issue, designed to bring refractory members into the measures of the "Ring;" the one emanating from the rather feeble power on the throne, the other from the more potent and interested party *behind* the throne; but both tending to the same object; that is, to scare the "hands" into obedience to the behests of the self constituted and interested leaders.

The less potent dignitary on the throne, sets out with an expression of wonder at the "strange and incomprehensible" actions of the Legislature since the "inception" of the present session. It says that, while the Legislature is overwhelmingly Republican, it is led by a small Democratic minority.—As the cause of complaint is the movement of the Legislature to investigate alleged frauds on the part of public functionaries, the *Standard* would seem to intimate that the "small Democratic minority" are the only men of the Legislature who take the lead in these fraud investigations; and blames the "overwhelming Republican majority," for following such leaders in such an undertaking.

Now we are charitable enough to believe that there are a considerable number of Republican members of the Legislature, who are as anxious and interested as the "small minority of Democrats" can be, to sustain the credit and honor of the State; to arrest out frauds, if any have been committed, and to put the finances and credit of the State on a better footing than *thirty cents in the dollar*, a condition to which our bonds have been reduced by the suspicious circumstances surrounding them. We are further inclined to believe that honest Republicans, who wish to do their duty to the State and to their constituents, and to wipe away the foul stain that certain parties have put upon the name of their party and its members by their reckless and dishonest course, will not be deterred from the performance of their high duty, by any threats or cajolings of the *Standard*, or *the man who owns it*, even if, in so doing, they find themselves acting in connection and concert with "a small Democratic minority."

The people are dissatisfied—their own party is dissatisfied—with the state of things existing in the State at present, especially in matters pertaining to finance and taxation, and the "overwhelming Republican majority" of the Legislature, having the power in their hands, are expected to inaugurate a new state of things—to provide a remedy for the evils which environ our finances, and if they use the power this majority gives them, to smuggle up and hide the rascality and dishonestly of those who are preying upon the vitals of the State, they will be held to a fearful account by the people; so fearful that the threats and anathemas of the *Standard* will be but as the report of a pop gun to the roar of a seventy-four pounder, compared to it.

But the potent power behind the throne takes a more comprehensive view of the matter. He thinks it an extraordinary spectacle to see a member of the Executive branch of the government brought to the Bar of the House to answer questions. We admit it was an extraordinary spectacle; and further, the circumstances that made it right and necessary, were extraordinary, in this State. The writer of the article on "extraordinary proceedings" in this matter, takes the "broad ground" that the Legislature has not the right to call any one holding position in either of the other branches of the government, before it. The same "broad ground" would prevent a Judge summoning before him, as witness, a member of the Executive or Judiciary department, although he might be the only man in the world who could establish the guilt or innocence of a prisoner on trial before him.

We take the "broad ground," that the Legislature has the right to summon *any man* before them, who may be supposed to be in possession of facts relating to the matter of investigation before it. Even the Governor, himself, if he were present at certain meetings of Certain Railroad Presidents in New York, a few weeks ago, when certain arrangements were entered into with Henry Clews & Co. for the disposition of bonds, and was supposed to be cognizant of the fact that it appeared, on that occasion, that a certain Railroad President had diverted the bonds of his road to his own use—we say, in such a (supposed) case as this, even the Governor, himself, as a private individual, might be brought to the Bar of the House to tell what he knew of the matter; just as legally, too, as he might be arrested and put in the Guard House, if found drunk and disorderly in the Streets. (Was this "broad ground" taken to forestall such a proceeding on the part of the Legislature?)

But this writer "defies opposition;" defies investigation; says, to use an ordinary slang phrase, "go ahead with your rat killing," nobody's scared; now that the thing is begun, go on with it; "we call for the proofs." This is all very well, since the two men, who, of all the men in the world, could give more information on the subject of the bond frauds, than any other two men, have left the city and the State—one of them very suddenly, on the evening of the day on which the investigation was commenced.

We predicted he would go, and while the printer was setting up the type of the prediction, on Friday night, he was going!—And now he is gone; both are gone; just as they all went last winter, when Sweet's investigation commenced. Yes, General Littlefield suddenly left Raleigh on Friday night, and, now, his paper says, "go on with your investigation!"

But there are some left who "could a tale unfold," in regard to bond frauds—we can mention some who could, we think, throw some light on the subject; so we advise the Legislature to persevere, take time, and the truth may be ferreted out at last.

The Legislature of North Carolina.

HOUSE OF REPRESENTATIVES.

FRIDAY, Nov. 26, 1869.

Mr. Pou in the Chair.

COMMITTE OF THE WHOLE.

Mr. Durham moved that the clerk address a note to the Public Treasurer, D. A. Jenkins, requesting him to appear before this committee at half past one o'clock.

After the lapse of a few moments Mr. Treasurer Jenkins appeared before the bar of the House. The resolution going into the committee of the whole was read. The Chairman then stated the information wished, was the amount of bonds issued under appropriations of this Legislature, since July 1st 1868 and to whom issued.

Mr. Durham said if the Treasurer wished time to refer to his books, he moved he be allowed it.

Mr. Treasurer said that all the details would be found in his report and the Chief Clerk would prepare a list of the appropriations, and he could not give the Committee more information if he should stay here until to-morrow night.

Mr. Durham moved that the Chairman propose such questions he saw fit and the clerk take down his answers. Carried.

The Chairman said as was customary he would administer the usual oath.

Question by Chairman. What amount of bonds have been issued to various Railroads by act of this Legislature since July 1st, 1868?

Answer. $12,600,000.

On motion, the Treasurer was allowed to read from a tabular statement, drawn up by the Chief Clerk of the Treasury: To the Tarboro' and Williamston R. R. $400,000, delivered to President Stubbs; Western Division of the Western N. C. R. R., amount authorized, $6,856,000, amount issued $6,367,000, amount in Treasury $299,000, delivered to G. W. Swepson or order; Eastern Division, amount authorized $333,400, issued $273,000, in Treasury $60,000, delivered either to Dr. Mott or Mr. Tate, the report would show; Wil., Char. and Rutherford R. R. authorized $4,000,000 issued $1,500,000, $2,500,000 yet to be delivered, $1,000,000 to Col. Cowan, $500,000 to Dr. Sloan; North Western N. C. R. R., amount required by certificate $1,440,000 as so much per section, $1,080,000 delivered, $360,000 in the Treasury. Western R. R. amount authorized $1,500,000, amount issued $1,320,000, in Treasury $180,000, delivered to A. J. Jones.

The Treasurer said that they could consider all the bonds as issued as the law required him to keep a certain amount to secure the payment of the interest.

A. T. & O. R. R. amount authorized $2,000,000, (exchange of bonds) amount delivered $1,760,000, in Treasury $240,000 delivered to Col. Johnston, or under his order to Mr. McAden.

These amounts constituted the valid appropriations in accordance with the decision of the Supreme Court. Question by Mr. Durham, Has any interest been paid on any of these bonds, if so, to whom and to what amount?

Treasurer, I can hardly answer the question without giving the details of all my——

Mr Moore, of Chowan. Stop Mr. Witness, I insist that every word of your answer shall be in writing.

Treasurer. Understanding that our bonds would be worthless, I obligated——

Again Mr. Moore raised the same objection.

Treasurer. Interest has been paid, but from the way of the transaction, I did not know whether I had paid——

Again Mr. Moore insisted that the witness's answers should be in writing, in accordance to the rule just adopted.

Treasurer. It is impossible for me to answer the question unless I can go into a detailed explanation.

Pending further examination, on motion of Sweat, (col) the Committee arose, reported progress and asked leave to sit again.

The Chairman reported progress, when, On motion the House adjourned.

NOTE.—Messrs. Argo and Robinson in voting upon the Preamble and Resolution in reference to the removal of disabilities, said if they placed the same definition upon it, as Mr. Durham, they should certainly vote against it, but as it proposed merely to acknowledge the civil and political equality of the colored race, so far as the letter of the law does, they supported it on the ground that issues involving that question had been finally decided.

As far as marriage between the races was concerned, the law, as construed by the Supreme Court, settled that question.

SENATE.

SATURDAY, NOV. 27, 1869.

The Senate was called to order at 10 o'clock.

The President, Mr. Caldwell, in the Chair.

The President presented a communication from Mr. Barrow, Senator from the 4th District, tendering his resignation.

Mr. Winstead presented a memorial from Miss Cathrine Boylan, praying the General Assembly to make a proper compensation for her property, taken for the use of the Penitentiary. Referred to the Committee on Claims.

Mr. Shoffner presented a memorial from R. S. Tucker, showing that he was entitled to a claim against the State amounting to $34,000. Referred to the Committee on Claims.

REPORTS OF COMMITTEES.

Mr. Smith, from the Committee on Propositions and Grievances, reported favorably on the following bills, viz:

Bill to prevent the sale of spirituous liquors within three miles of Silver Hill, Davidson county.

Bill to extend the powers of Coroner to the Commissioners of wrecks in certain cases.

INTRODUCTION OF BILLS.

By Mr. Smith: A bill to incorporate the town of Wilkesboro'. Referred to the Committee on Corporations.

By Mr. Sweet: A bill to provide for the payment of the interest on certain bonds of the State, and to create a sinking fund for retiring or redeeming the same. Referred to the Committee on Finance.

By Mr. Jones, of Mecklenburg: A bill to conform the fees of Solicitors to the act in relation to punishments, ratified on the 10th of April, 1869. Referred to the Committee on Salaries and Fees.

By Mr. Love: A bill for the relief of the sureties of J. W. C. Pearcy, tax collector for Cherokee county.

By Martindale: A joint resolution protesting against any further increase of the State debt. Lies over.

By Mr. Shoffner: A joint resolution proposing to adjourn on Monday the 21st of December to meet again on Monday, the 3rd of January, 1870. Lies over.

A message was received from the House transmitting a joint resolution concerning the removal of the political disabilities of all the citizens of this State. Lies over.

CALENDAR.

Bill to repeal the 1st section of an act to require the registration of deeds. Passed its second reading.

Bill to prevent the sale of spirituous liquors within three miles of Silver Hill, Davidson county. Passed its several readings under a suspension of the rules.

Bill to incorporate the Granville Railroad Company was amended and passed its several readings under a suspension of the rules.

Bill to repeal certain sections of an act to establish a Turpike road from Marion to Asheville. This bill created some discussion.

Mr. Respass urged its adoption, for the reason that he could not see the propriety in making such an appropriation for a turnpike road, to run through a section of country where there was not a house in twenty miles, in fact, nothing but a little grass.

Messrs. Beall, Moore, of Yancey and Blythe, opposed the bill, it was finally laid on the table, on motion of Mr. Beall, by a vote of yeas 19, nays 18.

Mr. Beall, in opposing the bill, said, the Senator from Beaufort had begun his retrenchment at the wrong end. Last session the Senator had voted for every extravagant Railroad scheme that was proposed, and every canal and turnpike in the East. Let the Senator begin his reform with his Railroad appropriations, and not attack first some obscure mountain turnpike. If the logical sneer of the Senator had such powerful force against the "green grass" of Watauga, it fell with equal weight on the frogs and terrapins of Adams' Creek, in the gentleman's region, and would therefore sweep away his Adams' Creek turnpike.

Bill defining the duties of County Commissioners in certain cases came up and a substitute from the Committee was adopted and passed its second reading.

Bill to amend and consolidate the several acts relating to the University. Passed its second reading.

On motion of Mr. White the bill to establish townships in the counties of Chowan, Gates, Washington and Polk, passed its several readings under a suspension of the rules.

Bill authorizing the Commissioners of Perquimans county to issue bonds. Passed its second reading.

On motion the Senate adjourned until Monday at 10 o'clock.

HOUSE OF REPRESENTATIVES.

SATURDAY, NOV. 27, 1869.

House met at 10 o'clock.

Leave of absence granted Messrs. Wilkie, Williamson, col., Cherry, col., and Long of Chatham.

REPORTS OF COMMITTEES.

Mr. Whitley for the Committee on Corporations, reported favorably on several bills, which were placed on the calendar, and will be noticed when they come up for action.

RESOLUTIONS AND BILLS.

By Mr. Clayton, a bill in favor of the Sheriff of Transylvania county, referred.

By B. W. Morris, col.; A bill to prevent slander, referred.

By Mr. Gilbert; A bill to amend the act to prevent the sale of liquor on the N. C. R. R. Referred.

By Mr. Moore of Chowan: A bill to establish townships in certain counties. Referred.

By J. Leary, col.: A bill in favor of the Sheriff of Cumberland county. Referred.

By Mr. Barnett: A resolution that the investigation of alleged Railroad frauds shall commence with the examination of the Presidents of the different roads, from the 1st day of May 1865, and be full and thorough from that day to the present.

He moved to suspend the rules and put the resolution upon its passage at once.

Mr. Durham said the adoption of the resolution would defeat further investigation.

Mr. Pou contended that the resolution was out of order, as the House was engaged in no examination of frauds, but merely looking into the condition of the affairs of roads in which the State was interested.

The Speaker decided against the point of order, and on an appeal to the House by Mr. Pou, the Chair was sustained, ayes 72, noes 1.

The motion to suspend was then put and lost.

UNFINISHED BUSINESS.

Mr. Pou for the Committee of the whole, reported proceedings of yesterday, and the report was received.

CALENDAR.

The bill amending an act concerning fisheries in Carteret was taken up, but laid over without action.

Mr. Pou moved that the House now resolve itself into Committee of the whole.

Mr. Malone suggested that no progress could be made by the Committee to-day, and that it should not sit until Monday.

Mr. Vest moved to amend, that the House go into Committee of the whole next Thursday at 10½ o'clock, a. m.

Mr. Pou accepted the amendment and the motion was agreed to.

The business on the calendar was then resumed.

The bill for removing obstructions in Lumber river, passed over.

Resolution of Mr. Ellis, asking Congress to abate the collection of U. S. direct tax on real estate, was read.

Mr. Ellis explained that he introduced the resolution to endeavor to relieve the people from the payment of this tax, levied for war purposes, and which would soon be collected, amounting to three or four millions, in the Southern States, and its collection from our impoverished people would be particularly distressing.

Mr. Vestal and Leary, col. favored the resolution.

Mr. Hodgin was opposed to it.

The question was put and the resolution adopted, yeas 59, nays 8.

The eight negative votes were, Ames, Gahagan, Graham, Hodgin, Horsey, Kinney, Morris, Stevens and Wilson.

The resolution requesting the opinion of the Supreme Court in reference to the tenure of office of members of the Legislature, was next read.

Mr. Malone characterized the resolution as ridiculous, and hoped it would not be adopted. He reminded the House of the refusal of the Court to give an opinion in the homestead matter, and he could not see how they could give one in this until it came before them in legal form.

Mr. Vest favored the adoption of the resolution.

(The matter under discussion was postponed for a few moments, the rules were suspended and several unimportant private bills were taken from the calendar, read, and passed their several readings under a suspension of the rules.)

The consideration of the tenure of office resolution was resumed.

Mr. Durham offered the following substitute:

Resolved, That in the opinion of this General Assembly, the term for which the Senators and Representative were elected, will expire on the first Tuesday in August, 1870.

J. H. Harris, of Wake, (col.) opposed the substitute and favored the original proposition. (Senate Resolution.)

Mr. Moore, of Chowan, also opposed the substitute and favored the Senate's proposition.

The provisions of the Constitution were doubtful and conflicting, and it was a matter in which the Legislature should have the opinion of the Supreme Court.

Mr. Pou opposed Mr. Durham's substitute.

Mr. Durham, Does the gentleman from Chowan (Mr. Moore,) admit that the decision of the Court will have no binding effect?

Mr. Moore, Yes sir, but we should get the best opinions, and five eminent gentlemen compose the Supreme Court.

Mr. Durham, Then the matter might as well be referred to five eminent lawyers of Raleigh, or any other place. He could not see what effect such a reference would have. If the House was the ultimate judge, the reference might as well be made to any other five lawyers. He wished to know of Mr. Moore what the people thought when they elected them.

Mr. Moore, I don't know what the people thought, I don't see what that has to do with the matter. They might have been in error as to the construction of this portion of the Constitution.

Mr. Durham concluded by saying that he could take the responsibility to assert that not one in a thousand of the people thought that the members of this Legislature, when voted for, that they were to hold for four years, but that the time was to expire in August, 1870.

The substitute was put to a vote and rejected by the following ballot:

YEAS.—Messrs. Armstrong, Barnett, Boddie, Candler, Clayton, Davidson, Durham, Ellis, Ferebee, Gatling, Gibson, Grier, Harris, of Franklin, Hawkins, Hicks, High, Hinnant, Hodnett, Horney, Humphries, Jarvis, Kelly, of Davie, Kelly, of Moore, Malone, Matheson, McMillan, Mendenhall, Painter, Robinson, Shaver, Smith, of Alleghany, Smith, of Wayne, Thompson, Whitley—34.

NAYS.—Messrs. Ames, Ashworth, Banner, Carson, Carey, Dixon, Eagles, Forkner, Gahagan, Graham, Harris, of Wake, Hendricks, Hilliard, Hodgin, Hudgings, Justus, of Henderson, Justice, of Rutherford, Kinney, Leary, Long, of Richmond, Mayo, McCanless, Moore, of Chowan, Morrill, Morris, Parker, Peck, Pou, Price, Proctor, Ragland, Renfrow, Reynolds, Simonds, Smith, of Martin, Snipes, Stanton, Stevens, Sweat, Sykes, Vestal, Vest, Waldrop, Wilson—45.

Mr. Jarvis moved to amend the resolution by striking out after the word "House," and insert "the Code Commission be, and are hereby instructed to report a bill, providing for a election on the 1st Thursday of August, 1870, for members of the General Assembly."

Mr. Jarvis supported his amendment in remarks of some length. He concurred with the arguments of Mr. Durham. He read an extract from the Constitution which makes it is mandatory that such election shall be held.

Mr. Moore, of Chowan, said he would read, without expressing an opinion, the 27th section of the same article, (No. 2 Legislative Department.)

This section puts a somewhat different phase upon the matter than did the 29th.

Mr. Jarvis replied that the 27th section had nothing to do with the matter, as far as the time of holding the election was concerned.

The amendment was put to a vote and rejected by the following ballot:

YEAS.—Messrs. Armstrong, Barnett, Boddie, Candler, Clayton, Durham, Ellis, Ferebee, Gatling, Gibson, Hawkins, Hicks, High, Hinnant, Hodnett, Humphries, Jarvis, Kelly, of Davie, Kelly, of Moore, Malone, Matheson, McMillan, Mendenhall, Painter, Robinson, Shaver, Smith, of Alleghany, Smith, of Wayne, Thompson, Welch, Whitley.—32.

NAYS.—Messrs. Ames, Ashworth, Banner, Barnes, Carson, Carey, Cawthorn, Dixon, Eagles, Forkner, Gahagan, Graham, Grier, Harris, of Wake, Hendricks, Hilliard, Hodgin, Hoffman, Horsey, Hudgings, Justus, of Henderson, Justice, of Rutherford, Kinney, Laflin, Leary, Long, of Richmond, Mayo, McCanless, Moore, of Chowan, Morrill, Morris, Parker, Peck, Pou, Price, Proctor, Ragland, Renfrow, Reynolds, Simonds, Smith, of Martin, Snipes, Stanton, Stevens, Sweat, Sykes, Vestal, Vest, Waldrop, Wilson.—48.

Mr. Durham offered the following substitute:

WHEREAS, There is a difference of opinion in regard to the term for which the Senators and Representatives of this General Assembly were elected, and, whereas, the people of the State elected the members of this General Assembly believing that their term would expire on the 1st Thursday in August, 1870, Therefore,

Be it Resolved, That the members of this General Assembly ought to tender their resignations to take effect on the 1st Thursday in August, 1870.

Mr. Laflin moved to amend by inserting after the word "1870," the words "or sooner."

Mr. Durham said the amendment was offered to kill the effect of the substitute and called on the Reporters to note the fact.

Mr. Candler said he had been voting with the Democrats because he thought it right. He would support the substitute.—The people thought they had been elected for two years and no more, &c.

Mr. Laflin withdrew his amendment.

Mr. Durham's substitute was voted down by the following ballot:

AYES.—Messrs. Ames, Armstrong Banner, Barnett, Boddie, Candler, Clayton, Davidson, Durham, Ellis, Forebee, Gatling, Gibson, Grier, Hawkins, Hicks, High, Hodnett, Humphries, Jarvis, Kelly, of Davie, Malone, Matheson, McMillan, Mendenhall, Painter, Robinson, Shaver, Smith, of Alleghany, Smith, of Wayne, Thompson, Welch, Whitley.—32.

NAYS.—Ashworth, Barnes, Carson, Carey, Cawthorn, Dixon, Eagles, Forkner, Gahagan, Gilbert, Graham, Harris, of Wake, Hendricks, Hodgin, Hoffman, Horsey, Hudgings, Justus, of Henderson, Justice, of Rutherford, Kinney, Laflin, Leary, Long, of Richmond, Mayo, McCanless, Moore, of Chowan, Morrill, Morris, Parker, Pou, Price, Proctor, Reynolds, Siegrist, Simonds, Smith, of Martin, Snipes, Stanton, Stevens, Sweat, Sykes, Vestal, Vest, Waldrop, Wilson.—47.

The original resolution was then adopted by a vote of yeas 49, nays 33, (a strict party vote with a few exceptions.)

A message was received from the Governor transmitting the report of Jacob Siler, Agent for the collection of Cherokee bonds. Report ordered to be printed.——

On motion of Mr. Pou the House adjourned.

CITY AND STATE ITEMS.

MONDAY, NOVEMBER 29, 1869.

GOOD GLIMMERING.—On Friday last the House of Representatives resolved itself into Committee of the whole House, for the purpose of investigating the Railroad affairs of the State, and to see if all those having State bonds were properly using them, &c. Treasurer Jenkins was examined by the committee and answered questions in regard to the issuing of bonds to the various Railroad Presidents, according to acts of appropriation.

After the examination of Treasurer Jenkins, the Committee rose, reported progress, and asked leave to sit again. It was understood that the Committee would sit again on Saturday, and would call other persons, among them Gen. M. S. Littlefield, before it. But "the prudent man foreseeth the evil and hideth himself," says the good Book, accordingly the General went to Mr. J. Lewis' Hardware store to buy a large tin box to put deeds, &c., in, and, on Friday night, he had a straight coat-tail sticking out behind him towards the city of Raleigh, while he was making tracks towards the Depot, to take the train for Florida, or some other point outside the State.

If Richard Roe is found dead under circumstances which fastens his murder on John Doe, and John Doe runs away, the conviction is fastened on the public mind as strongly that John Doe committed the murder, as if he had been tried before Judge Watts, in the Superior Court, with Boots and Friday Jones on the Jury, and found guilty, *secundum formam statuti*. Everybody can make his own application.

PROF. LEE'S LECTURE ON FRIDAY NIGHT. The hour at which we went to press on Saturday morning, precluded such a notice of Prof. S. Adams Lee's Lecture, at Tucker Hall, on the preceding evening, as we could have desired and as it so eminently deserved.

First, of the Lecturer: Prof. Lee was for some years in the U. S. Navy and subsequently in that of the Confederate States. He is a cousin of Gen. R. E. Lee, and an author of reputation and note,—as such having received the high commendation and endorsement of leading *literateurs* in this country and in England. He is at present engaged in the preparation of forthcoming works, and his Lectures in behalf of Memorial and Aid Associations are solely "labors of love," prompted by affectionate veneration for the memories of our gallant dead and an enthusiastic admiration of the commemorative efforts of our noble women.

Prof. Lee was introduced by Maj. Seaton Gales, at the request of the Memorial Association. We but echo the sentiment of every person, who was fortunate enough to be one of the small but select audience that heard Prof. L., when we say that it was one of the most superior and elegant literary repasts ever spread before our people in its line. The theme was a grand one—"GOD IN THE OCEAN,"—and it was grandly treated, in its scientific, practical, poetical, universal and *religious* relations. Prof. Lee's voice is a finely modulated one and his rhetoric is polished well-nigh to perfection. It was difficult to tell which most to admire in listening to him: the grandeur of his periods, the deepness of the thought, the suggestiveness of every idea, or the elevated sublimity of the moral tone of the essay. This may appear extravagant language, but it is not so. Our own impressions of this Lecture are such that we wish to re-hear it, before we attempt to do it the injustice of further description. The oftener it is heard, the better it must and will be appreciated. Let us have it again, fair and patriotic ladies of the Memorial Association, and, perhaps, there may be better success in another effort to honor the memory of our fallen braves.

It is sad to think that while the grimaces of a harlequin or the rantings of a mountebank reap golden harvests, a brilliant literary treat, replete with instruction, thought and eloquence, in behalf of the most sacred of all causes that can appeal to our tenderest emotions, is but sparingly and grudgingly patronized!

Valuable and Convenient.—"Brown's BRONCHIAL TROCHES" are widely know as an admirable remedy for Bronchitis, Hoarseness, Coughs, and other troubles of the Throat and Lungs. They are of great value for the purposes for which they are designed, while they are usually and pleasantly effectious, they contain no hurtful ingredients, but may at all times be used with perfect safety.—BOSTON RECORDER.

EDITORIAL CHANGE.—Rev John S Long retires from the editorial chair of the *Eastern Intelligencer*, and will be succeeded by Dr. James F. Long.

CRUSHED TO DEATH.—We regret to learn that Mr. Collier Griswold, of Goldsboro, engineer on the W. & W. Railroad, while endeavoring to "couple" two cars, at Joyner's depot, yesterday, in some manner was caught between them and was so horribly crushed that when extricated he was in a dying condition.

TOO GOOD TO LAST.—Saturday is past and gone, and though we say it behind its back, it was a beautiful, lovely day for the season. We write this about it late Saturday night, with some foreboding that the sweet and agreeable weather that spent the day, that is now gone, with us, will take its departure before Monday morning, for the purpose of paying calls to some more Southern clime; perhaps to call on Gen. Little-field in Florida.

BROTHER DAVE.

Since the election of Door-keeper to the House, it has been rumored that the Governor is greatly grieved over the defeat of Dave Harris, colored, brother of James, for that position. On the other hand, it is rumored that His Excellency is much rejoiced at the success of Mr. Page, (white man,) who was Door keeper to the Confederate Senate in Richmond, during the days of the great rebellion. It would be difficult to reconcile these two conflicting rumors, in regard to any other man in the world, but, as it is, we are inclined to believe both. The Governor is sorry Dave was beaten and glad Page was elected.

Brother James, when he found that brother Dave was beaten, changed his vote, in order to move a reconsideration, but from some cause he didn't do it. The colored people elected the Governor, the Judges, and most of the Legislature, and now the Legislature will not allow them to be Door-keepers, even, but elects a Door-keeper of the rebel Senate to that position. Here's another penitentiary Board movement, the *Standard* will have to interfere

The following note is self explanatory, and affords another evidence of the promptness of our Home Insurance Company in meeting its engagements with those who take policies in it. In these days of incendiarism it is very prudent and convenient to have such a security against loss, close at hand, and one so prompt in meeting its engagements.

WAKE FORREST COLLEGE, November 23, 1869.

Mr. R. H. Battle, Treas., N. C. H. I. Co:

DEAR SIR:—I received from you to-day, payment in full for damages done to my house by fire, which occurred on the 12th inst. Permit me to say that the promptness with which the North Carolina Home Insurance Company has met this, and other losses, which it has sustained, entitles it not only to the thanks of us, who have suffered disaster by fire, but to the confidence of those who may desire to insure in a safe and reliable Company.

Very respectfully, &c.,

CHRISTIAN CONFERENCE.

MR. EDITOR:—While you are giving the proceedings of the Legislature in full, I hope that you will find space to give the proceedings of the North Carolina and Virginia Conference which met at Wake Chapel, in this county, the 19th inst., in part.—Although the weather was unfavorable part of the time, and the members were put to some trouble in getting out, on account of a misunderstanding about the time and place they would be met by conveyances, we had a very pleasant, and, I trust, profitable session. Much important business was transacted. Rev. S. Apple was chosen President. The annual sermon was delivered by Rev. W. S. Long, Principal of the High School in Graham. His discourse was able, and was listened to with marked attention; and, I understand, was favorably received by not only the members of the Christian Church, but by the members of other denominations who were present.

Rev. W. B. Wellons, President of the General Christian Convention, was present and entered earnestly and ably into most of the important debates of Conference.—His long devotion to and intimate connection with all the enterprises of the Church; his deep spirituality, his amiable face, his great learning and powerful eloquence, made him a very welcome visitor. Rev. D. O. Long, of Harrisonburg, Va., was present as a fraternal messenger from they Valley Virginia Christian Conference. Many were very much disappointed that he did not bring Dr. N. M. Burkholder with him.

The reports of the standing committees were very interesting, and called forth many earnest and interesting speeches, especially the reports on Sabbath Schools and temperance.

Mr. W. W. Staley, a very promising young man of Graham N. C., joined the Biblical class. The Educational Committee recommended that Rev. Mr. Clemons, who has been preaching as a licenciate for some time, for ordination.

The preaching on the Sabbath was excellent. Rev. W. B. Wellons preached in the house in the morning. Rev. A. Isley in the grove, both were listened to very attentively by interesting congregations. Prof. York preached a very good sermon in the evening from the text, "This day thou shalt be with me in paradise."

Fraternal messengers were elected to all the sister Conferences, and also to the M. P. Conference of this State. Delegates were elected to the General Christian Convention which meets in Suffolk, Va., in May next. Reverends J. N. Manning, D. A. Long, A. Apple and J. W. McMans, were elected commissioners to meet the commissioners of the "Christian Union" of the West in the City of Baltimore.

Rev. D. A. Long was chosen to preach the next annual sermon before the next session of the Conference which meets at the usual time with the Church at Union, Halifax County Va.

Every thing went to show that the prospects of the church were never better, and growing brighter every day. The new Hymn Book will be out before christmas. The declaration of principles, form of government and directory for worship will be printed with the Hyma Book. D.

Impaired Digestion.

All the organs of the body are, so to speak, the pensioners of the stomach. In that living laboratory is prepared the nourishment required to sustain them, and by the vessels and ducts connected with the digestive apparatus, that nourishment is conveyed to every part of the system. Upon the quality and quantity of this element of life and upon the manner in what it is distributed and apportioned, physical health mainly depends, and as the mind inevitably sympathizes with the body, the vigor of the one is absolutely necessary to the well-being of the other.

It is because HOSTETTER'S STOMACH BITTERS accomplishes this double object that it enjoys a reputation as a preventive and curative never heretofore attained by any medicinal preparation. But its direct beneficial operation upon the weak or disordered stomach is not its sole recommendaiton. It is the most comprehensive of all known remedies. It tones, strengthens and regulates the discharging as well as the assimulating organs; gently moving the bowels, promoting healthful evaporation through the pores, rousing the inert liver from its torpor, and infusing harmonious and natural action in the whole animal machinery. This benign result is not produced by any of the reputed dietary drugs which are used so lavishly in the old school practice, founded by Paracelsus; but by mild, safe and agreeable vegetable agents incorporated with a pure and mellow stimulant which diffuses their influence through the system and renders their sanitary properties active and effective.

CLOAKS AND SHAWLS.—A Fine Assortment.
Now don't you think you had just as well step over to CREECH'S, and look. Probably you will save time and money. In fact, that is just the very place to get the worth of your money; and permit me to tell the people, that when they visit the City, to COME TO CREECH'S, for thousands who have come, acknowledge the truthfulness of my assertions.
I have more to say to you, but will tell you the balance at my place of business.

From Rev. C. H. Wiley formerly State Supt. of Education,

Bristol, Tenn., Oct. 14, 1869.

I had seen by the papers what had been done by the Board of Education in North Carolina and was glad. I had ample reasons for my former recommendations in the use of the books in our schools.

These Books are Used by the Best Schools in the State.

Late Testimonials in Brief.

It affords me great pleasure to bestow on them my heartiest commendation. They are vastly superior to any other books of the kind I have yet seen.—W. H. Weathersbee, Prin. Class. and Math. School, Elizabeth City, Oct. 25, 1869.

Send me on Davies' Intellectual Arithmetics for introduction. They are superior to any I have seen.—W. F. English, Mount Olive, Oct. 20, 1869.

I intend using the same books in my school as those used in the Common Schools. * * I am already using Monteith's Geographies.—John D. Johnson, Yadkinville, Sept. 6, 1869.

I am and have ever been an earnest advocate of uniformity in school books. The Board recommendations—Arithmetics and Geographies—are the best that could have been made.—H. E. Smith, Lincolnton, Sept. 29, 1869.

Because these books are adopted by the State Board, as well as for the merits of the books themselves, we wish to introduce them, and use them exclusively in our school.—Rev. S. C. Alexander, Charlotte, Oct. 11, 1869.

Steele's "Nat. Philosophy" received. Am struck with its superiority to the other in many respects. As a class is waiting, substitute in my order Steele's Philosophy for first introduction. —G. W. Jewett, Wilmington, Oct. 13, 1869.

Davies' Mathematics was adopted by me in 1855, and up to this time I have examined no work superior to them. I have examined McNally's Geography and Peck's Ganot's Natural Philosophy. I consider them most excellent works and shall put them into my boys' hands at the earliest period.—J. K. Dudger, Prin. Male Academy Warrenton.

It is my purpose to introduce Monteith's (No. 4) into my school. I give it the preference for the information which it gives on the subject of Physical Geography. The maps and questions in both works (Monteith and McNally) seem to me to be admirable.—Rev. Albert Sheeds, D.D., Rector of St. Mary's, Raleigh.

The system of Geography—Monteith and McNally—I am well pleased with.—Rev. Wm. S. Lacy, Raleigh.

Davies' Arithmetics, Monteith's Geographies and the National Readers are too well known to require a word from me. Monteith and Davies are the best that I am acquainted with.—Prof. Frank Vaughan, Elizabeth City, Oct. 11, 1869.

I have waited patiently for the adoption by the Board of Education of this State of the books to be used in the public schools, and am much pleased to find that so many have been selected from the National Series.—Rev. W. L. Miller, Charlotte, Oct. 1, 1869.

Am much pleased with both the Spellers and all the readers; and as to the Series of Geographies, I have long used no others when these could be obtained. Dr. Wm. B. Hansel, Prin. High School, Snow Hill.

The introduction of so much valuable matter on the subjects of Physical Geography and Geology, and in a form so simple and intelligible makes it, (Monteith's Intermediate Geography) in my judgment a charming school book.—Ad. W. Bingham, Prin. Bingham School.

I design introducing McNally's Geography and Davies' University Arithmetic.—Dr. Gloss, Prin. Durham Academy,

Will introduce the University Arithmetic next term. An admirable work.—M. L. Little, Prin. Pleasant Hill seminary, Newton.

Monteith's Geographies are excellent works, and I shall introduce them into my school.—Hyderon Ivey, Prin. Auburn Academy.

The superior and durable style of binding of your books is a very great recommendation—one with which I have long been favorably impressed.—Prof. Wm. A. Obenchain, late Hillsboro' Military Academy.

I have introduced your National Series of Readers. We find them to be excellent, just suited to our purpose. With Davies' Mathematical series we have been long familiar, and can find no good reason for changing them. In the Primary Department we have Monteith's Geographies.—Rev. D. D. Bernheim, Prin. Female Seminary, Mount Pleasant.

The National Series of Readers and Spellers are the best with which I am acquainted. I shall henceforth use no others in my school. I use Davies. I consider his works incomparably superior in many respects. Monteith's Series afford a gradual but thorough and systematic progression.—Prof. Jos. H. Fox, President Stanton-burg Scientific High School.

I regard Monteith's Physical and Intermediate Geography as one of the best books of its kind. It has several points of superiority over most primary Geographies; Geography is here treated from the only true and rational standpoint, viz: of Geology and Physical Geography.—Prof. W. C. Kerr, State Geologist of North Carolina.

Mr. Taylor Johnson Olive's Chapel, has introduced the National Readers, Monteith's Geographies, Davies Arithmetics, Clark's Grammars, etc.; Mr. John Franks, Grove P. O., has introduced the National Series throughout; Mr. W. A. Branch, New Hill P. O., uses the National Series throughout; Mr. Adolphus Rogers, Green Level P. O., uses the National Reader, Copy-Books, Monteith's Geographies, and Yeas's Grammar; Mrs. Emma Bingham, Cary P. O., uses the National Series; Mr. H. C. Olive, New Hill P. O., introduced Monteith's Geographies There are now at least 250 pupils in Wake and Chatham counties who are daily using the National Series of books, within my knowledge.—Prof. W. H. Mebane, Chatham county, Sept. 14, 1869.

I am glad to learn that some of your books are to be introduced into our State Schools.—Prof. J. M. M Caldwell, Greensboro' High school, Oct. 23, 1869.

Distinguished Editors and Critics Praise Them.

The Series must prove acceptable. The structur. of language is beautifully exhibited.—Fayetteville *Presbyterian*.

This firm will allow no competition in the price of books furnished by them which are among the best in the state.—Statesville *American*, 1866.

Have a reputation for merit unsurpassed.—Statesville *American*, 1869.

Peculiarly adapted to supply the wants we have long felt.—Greensboro' *Patriot*.

Have acknowledged superiority by the most competent judges.—Western *Sentinel*.

Davies is excellent in the first degree.—Wadesboro *Argus*.

Are excelled by none of the many used, and they are superior to most of them.—Newbern *Journal of Commerce*.

When we examine the bright pages of the National Series, and think how we groped along the dry and uninteresting "task" of our boyhood, we are constrained to be envious of the happy pupils of the present.—Wilmington *Post*.

The National Series has attained probably a higher reputation than any other complete series of School books now in existence.—Wilmington *Herald*.

THE UTLEY

COTTON PRESS.

A NEW combination of power, whereby all friction is overcome. The simplicity, economy and durability of this PRESS astonishes all who see it, and the more so that a power so simple should so long have been overlooked. With this Press, two men can do all the packing or pressing of a 500 pound bale inside of eight minutes: and it can be readily taken down and transported, as it is simple and light. We can supply these Presses cheaper than any yet offered to the Planter. Will send circulars to any desiring and we would advise all persons wanting presses to withhold buying until they examine this

THE UTLEY PRESS are now being manufactured at the NEW AND BLIND FACTORY OF THOS H. BRIGGS. All are assured that as between this and any other there is no argument as to its merits over all others. With the irons, any ordinary workman can put them up. The patentee is here for a few days, and will take pleasure in explaining its merits. Address T. H. BRIGGS Sept 1841 Raleigh.

AND CONSTANTLY INCREASING.

ALL THE SURPLUS OF THE COMPANY DIVIDED AMONG THE ASSURED.

DIVIDENDS DECLARED AND PAID ANNUALLY ON THE CONTRIBUTION PLAN.

ALL POLICIES (AFTER TWO FULL PAYMENTS) NON-FORFEITABLE, AND SO EXPRESSED ON EACH POLICY.

No Restrictions as to Residence and Travel in the United States,

RATES LOWER THAN ANY OTHER COMPANY THAT PAYS DIVIDENDS TO POLICY-HOLDERS.

IT ISSUES ALL THE VARIOUS FORMS OF LIFE AND ENDOWMENT POLICIES.

LOSSES PAID PROMPTLY IN CASH.

LIST OF LOSSES ACTUALLY PAID BY THE ÆTNA LIFE INS. CO., AT THE BRANCH OFFICE, IN RALEIGH, BY THE HANDS OF W. H. CROW, GENERAL MANAGER OF THE STATE AND PART OF VA.

No.	15,273	$ 5,000

And $3,000 ready to pay a loss of No. 34,161, so soon as the party authorized to receive the money appears.

The Company has been well tested through-out the State, as to its promptness in paying her losses, reliability, &c.

DIVIDENDS PAID AT THE END OF THE FIRST YEAR, AND ANNUALLY THEREAFTER.

Its ratio of expense to income is extremely low. This may be seen by reference to the Official Reports for 1868. For example:

EXPENSE ON THE $100 RECEIVED.

Knickerbocker,	$16,54
Equitable,	17,44
North America,	24,16
Brooklyn,	21,09
Universal,	27,34
John Hancock,	18,27
The National,	62,48
The Ætna,	13,41

It has an IMPORTANT NEW FEATURE that has been copy-righted. According to this plan the rates are MUCH LOWER than in any other Company in the world.

Its ratio of mortality is low. Its rates are very low. Its expenses are very low. Its dividends are large.

It insured more lives in the City of New York in 1868, than any other Company, except one. It issued more Policies in the United States than any other save one. It insured more lives in Canada than any other Company, British or American.

See what the HIGHEST INSURANCE AUTHORITY in this country says. In the June number of the *Insurance Times*, of New York, the following opinion was expressed:

"If there is any great benefit in mutual association, any great advantage to be derived from scientific organization and a chartered source, tending to mitigate the sufferings, lessen the privations, and add to the peace, security, and happiness of humanity, we are prepared to show that these blessings flow, in all their fullness and purity, from this excellent, powerful, and flourishing Company, the ÆTNA LIFE, of Hartford."

"No institution has brought more prompt, full, and grateful relief to the hearths of the bereaved and desolate, and none has been more uniformly distinguished for the enterprise, wisdom, and equitable liberality with which it has fulfilled the purposes of its formation."

"Its success has been almost unbounded and beyond all precedent. Eight years ago in 1861, it issued only 588 policies, received an income of seventy-eight thousand dollars, and possessed nett assets summing up to something over two hundred and eighty-one thousand dollars; but last year, 1868, it granted 18 537 new policies, more than any other Company except the Mutual (18,) received an income exceeding six million dollars and had amassed solid, securely and profitably invested nett assets amounting to over ten Million Three Hundred and Fifty Thousand Dollars. And this wonderful ratio of growth has been sustained in 1869."
